JEEP: "ELECTRIC BOOGIE"

October 22, 2023

Jeep took a musical route to promote its hybrid electric vehicles in its Super Bowl commercial.

The spot features a remake of "Electric Boogie" by Jamaican rapper Shaggy, and shows a group of friends riding in a Jeep in the wilderness filled with (CGI) animals dancing to the song.

The spot was directed by Nic Yiallouris and created by Highdive, which also worked on a Super Bowl spot for Ram Trucks.
